

PROCEED ARCHIVING SOLUTIONS

ABAP Archiving Consultant

Are you a dynamic, enthusiastic and capable person? Are you looking for your next career move? Do you think you have what it takes to join our winning team?

The Person

- A strong work ethic and a belief in honesty
- Credible, reliable and dependable at all times
- Confident, articulate and influential with others
- Rational, pragmatic and capable, especially under pressure
- Can conceptualise and simplify complex issues to others
- Excellent communicator with presentation skills
- Degree level education OR an outstanding industry track-record

Key responsibilities of the role are to lead in the successful technical implementation of ABAP developments during SAP archiving projects through,

- Implementation of data archiving ABAP programs, including error detection and resolution
- Data base analysis and recommended archiving solutions for clients
- Customer ABAP developments, including functional and technical documentation
- Understanding of key business processes relating to archiving usage in SAP
- Ensure client acceptance and sign-off of testing related to ABAP developments
- Knowledge transfer and training in the execution of the ABAP developments

Key skills required

- Detailed technical experience of SAP ABAP development
- Understanding of SAP ECC Core Modules (SD, MM, FI, HR, etc.)
- Confident and competent around SAP Netweaver
- Proficiency in SAP Workflow
- Technical experiences within a SAP landscape e.g. SAP SRM, CRM, BI, APO, SolMan, etc.
- Persuasively advise and resolve issues surrounding technical restrictions and capabilities

Additional skills

- Archivelink Technologies (Opentext, PBS, Macro4 etc), PERL Scripting, general programming (ASP, VB, C++, JAVA, etc.) and relevant professional qualifications / accreditation

Although our offices are in Hertfordshire you will be working intermittently on client sites (circa 50%) throughout the UK and should hold a valid UK driver's license. We will provide on-the-job training for suitable candidates, a competitive salary, car allowance, benefits and a possible bonus.

For further details or to have an informal discussion regarding this new opportunity, please email aylwen.carroll@proceedarchiving.com.
